

DA-BEST

LIQUID HAND CLEANER WITH PUMICE

Description: **Da-Best** liquid hand cleaner with pumice is blended from natural orange peel extracts, soil suspending agents, surface cleaners, and natural fine ground pumice. This unique formulation will remove embedded grease, grime, and industrial soils from hard working hands. **Da-Best** is safe for, and gentler on hands because it contains *NO* petroleum solvents. This product is formulated with a special blend of *emollients and essential oils to protect against drying, chapping, and cracking of the skin* as it replenishes the natural skin oils. Da-Best is the most powerful, most practical, and most economical way *TO CLEAN HARD WORKING HANDS*.

Directions:

1. PLACE A GENEROUS AMOUNT IN PALM AND RUB INTO SOILED SKIN.
2. BE SURE TO CLEAN AROUND CUTICLES, FINGERNAILS AND KNUCKLES.
3. WIPE HANDS CLEAN AND DRY WITH CLOTH, PAPER TOWEL OR RINSE WITH WATER.
