DOUBLE TAKE

FLYING & CRAWLING INSECTICIDE

Description: **DOUBLE TAKE** Flying & Crawling Insecticide is a powerful combination of broad-spectrum insecticides designed to kill both flying and crawling insects. Features a potent residual type insecticide that provides up to 6 weeks of control of crawling insects. Unique aerosol valve system delivers both fan spray for flying insects and stream spray for crawling insect control. A multi-use product with powerful killing action and virtually odorless.

Directions: DUAL SPRAY VALVE • JET STREAM APPLICATION FOR CRAWLING INSECTS/FAN SPRAY FOR FLYING INSECTS • NO CHLORINATED SOLVENTS • RESIDUAL KILL OF CRAWLING INSECTS FOR UP TO 6 WEEKS - VIRTUALLY ODORLESS
