NITRO-FOAM

OVEN & GRILL DECARBONANT

Description: NITRO-FOAM is a ready to use product that is highly effective for rapid removal of baked on fats, greases, proteins, and carbohydrate residue of animal and vegetable origins. This product's unique formula allows its foam to cling to vertical surfaces for unlimited contact time without dripping. This allows NITRO-FOAM to penetrate and loosen burnt on soils so that they can be wiped off and rinsed clean. NITRO-FOAM is very economical, non-flammable, easy to use, and does not emit any toxic fumes.

Directions:

1. Apply NITRO-FOAM to warm or cold soiled surface. Allow to contact for 3 to 15 minutes, giving product ample time to penetrate stubborn soils.
2. Wipe off and rinse clean.
3. For heavy build up, an additional application may be required.

NOT RECOMMENDED FOR USE ON ALUMINUM OR OTHER SOFT METALS

Benefits - Features: RIGHT DILUTION • PRODUCT DOES THE WORK • EASY TO USE
SAFER TO USE • READY TO USE • FOAM CLINGS TO
VERTICAL SURFACES • PENETRATES AND LOOSENS BAKED ON SOILS
NO TOXIC FUMES AND IS NON-FLAMMABLE

Authorized by USDA for use in federally inspected meat and poultry plants

Advantages: NO MIXING REQUIRED • LONG CONTACT TIME • CAN BE WIPED OR RINSED CLEAN
EXCEEDS SAFETY STANDARDS

Where to Use: OVENS • HOODS • GREASE • GRILLS • FRYERS • DUCTS • CANOPIES
RACKS • GLASS • CHROME • PORCELAIN • STAINLESS

Recommended For: RESTAURANTS • COUNTRY CLUBS • CAFETERIAS • APARTMENTS
SCHOOLS • HOSPITALS HOTELS • INSTITUTIONS • NURSING HOMES

Specifications: FRAGRANCELemon
APPEARANCE.....clear yellow
SHELF LIFE.....1 year min
